This manual is intended to guide you through the industry mentorship module within My Career Hub. Your comprehensive training will be available in January and will go into full details about the program.

If you have any questions about My Career Hub, please contact student.employment@sait.ca.

Register for My Career Hub

1. If you do not already have an employer account with My Career Hub, please [register here](#)
2. Your account will be approved with 1 business day. If you opt in for emails you will receive an account confirmation email
3. Once approved, you can log in and select SAIT Industry Mentorship from tabs on the left of screen

Mentor application

1. Read the overview and select “become an industry mentor”
 2. Carefully read through the terms and conditions and accept them
 3. Complete the application form – there are tool tips on each question to guide you if needed
 4. Select the current term (there should only be one available)
 5. Click on the “mentorship profile” button to view the dashboard/homepage
- * You're able to edit your profile if you make any mistakes or need to update your information.**
- Click on the circle action button and select 'edit mentor profile'**

Industry Mentorship dashboard/homepage

- Your profile will sit at a grey “pending” until it is approved. Once approved, it will change to a green “active”
- The tabs will allow you to view the overview (pictured), active connections and past terms
- The “next steps” box will include links to the training and additional resources. Please read this carefully. It will also include important updates that may occur during the program
- The available term will show the current, active term only. Please make sure this is checked
- This action button will allow you to edit your profile. **Do not use “create connection”.**
